

Winton Recreation Ground

January Programme

Park Life

Saturday 22nd 1.30pm - 3.30pm

Nature based activities for the whole family. At this month's Park Life session we will be making our own solitary bee homes.

In Britain we have around 270 species of bee, of which just under 250 are solitary. These bees are under threat, largely down to habitat loss. By creating homes for them and encouraging wildflower meadows we can all play our part in restoring our pollinator populations.

Free event - Book at parksfoundation.org.uk/events

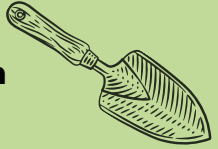

GreenFingers

Saturday 8th, 22nd 10am - 12pm

Come and get involved in park maintenance and community gardening. Meet at Winton Rec community garden (old bowling green). Free event.

Email: melinda@parksfoundation.org.uk to find out more

Tree planting

Date & time to be confirmed

In January we will be planting native trees and a native hedgerow in the park. Since the 1950s we have lost 50% of native hedgerows. These hedges are an excellent habitat for small birds, insects and mammals.

If you would like to get involved in any of our future planting days contact josh@parksfoundation.org.uk

Nature Tots

Wednesday 19th, 26th 10am - 11am

If you and your little ones enjoy spending time outdoors and learning about nature, then Nature Tots is the place to be.

A fun nature based playgroup for under 5's and their carer's, where child-led play and free exploration, is mixed with hands-on learning experiences that are themed around nature and the changing seasons.

£3.50 per session

Book at parksfoundation.org.uk/events

RSPB big birdwatch

28th, 29th, 30th

Be wowed by your local wildlife. Big Garden Birdwatch is for everyone, whether you're a complete beginner or a birding expert. Simply count the birds you see in your garden, from your balcony or in your local park for one hour between 28 and 30 January 2022. rspb.org.uk/get-involved/activities/birdwatch
