

Branksome Recreation Ground

June Programme

Butterfly Surveys

Tues 7 & 21 June | 10am - 11am
Mon 13 June | 2pm - 3pm

Join in our butterfly surveys to help us better understand local butterfly populations and record what we find.

Be part of a citizen science project and learn some key identifying features of our butterfly species.

Free event

Nature Tots

Wed 8 June | 10am - 11am

A fun group for under 5s and their carers, themed around nature and the changing seasons.

Your child can become a bold explorer and develop their curiosity through play and discovery in the park.

Free event

Minibeast Mania

Mon 13 June | 3.30pm - 4.30pm

Join us to discover the wildlife of Branksome Rec.

Come along and meet all the creepy crawlies that live in your parks and learn how to improve your garden for minibeasts.

Free event

Meeting Moths

Tues 21 June | 3.30pm - 4.30pm

Come along and meet our local moths to learn all about them.

Discover the fantastic diversity of moths that live in your area.

Free event

Bioblitz

Thurs 23 June | 3.30pm - 4.30pm

Be a wildlife detective and record species for science.

We will be looking out for wildlife and recording our observations using the iNaturalist app while contributing to citizen science.

Free event

Tree Time

Tues 28 June | 3.30pm - 4.30pm

Nature detectives needed to investigate all the trees in the park. We'll record the trees we see for citizen science.

We'll also learn lots of interesting facts about trees.

Free event
