

# Jumpers Common | July Programme

## Wildflower & Grasses ID and Printing

Tues 5 July | 3pm - 4.30pm

Discover all the different types of wild grasses and flowers in the park and why they're important to nature.

You'll also make a stylish print to take home.

Free event

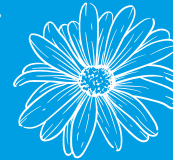

## Meadow Surveys

Thurs 7 & 14 July | 11am - 1pm

We are monitoring the health of nature in our parks.

Come along and learn the plants in our parks and new meadow areas, and help us with our survey.

Free event

## Pollinator Surveys

Thurs 7, 14, 21 & 28 July | 2pm - 3pm

We will be monitoring our pollinators in the park, like bees, butterflies and moths.

Join us to find out about these amazing creatures and why they are so important.

Free event

## Butterfly Surveys

Thurs 7, 14, 21 & 28 July | 3pm - 4pm

We're running butterfly surveys to help us better understand our local butterfly populations.

Get involved in citizen science and learn some key identifying features of our butterfly species.

Free event

## Healthy Habitats

Tues 19 July | 3pm - 4.30pm

Come and find out about the different habitats in your local park, what makes a great habitat for you and for nature, and how we can improve the important habitats we've got already.

Free event

## The first week of the school summer holidays will be all about swifts!

Look out on our website and Facebook page for more information about these exciting activities, coming soon.

Join us to learn all about these amazing birds.
