

Jumpers Common | June Programme

Wildflower Planting

Mon 6 June | 2pm - 4pm

Come and help plant nectar-rich wildflowers in the park, perfect for pollinators such as bees and butterflies.

The flowers will create a spectacular display of colour when they bloom.

Free event

Interesting Invertebrates

Tues 7 June | 3.30pm - 4.30pm

Wed 15, 22 & 29 June | 3.30pm - 4.30pm

Come along and find out all about interesting invertebrates which you might find in the park.

This will be followed by a butterfly survey to help us better understand local butterfly populations and record what we find.

Free event

Minibeast Mania

Tues 21 June | 3pm - 4.30pm

Come and discover the wildlife of Jumpers Common.

We'll take a short walk around the park and see what plants and animals we can find on our doorstep, taking a particular interest in insects species.

Free event

Meeting Moths

Mon 27 June | 3pm - 4.30pm

Come and discover the fantastic diversity of moths that live in your area.

We will be looking through a moth trap that we ran the night before, identifying the moths and recording our findings.

Free event
