

Muscliff Park | June Programme

Bioblitz

Tues 7 June | 3.30pm - 5pm

Be a wildlife detective and record species for science.

We will be looking out for wildlife and recording our observations using the iNaturalist app while contributing to citizen science.

Come and see what wildlife you can find in the park.

Free event

Butterfly Surveys

Wed 8, 15, 22 & 29 June | 3.30pm - 4.30pm

Calling all keen lepidopterists!

This summer, we'll be completing weekly butterfly surveys for the UK Butterfly Monitoring Scheme to track and monitor these important pollinators. Be part of a citizen science project and learn some key identifying features of our butterfly species.

Free event

Minibeast Mania

Tues 14 June | 3.30pm - 5pm

Join us to discover the wildlife of Muscliff Park. This month is all about insects!

Come and hunt for minibeasts in the park and learn all about these interesting invertebrates.

Free event

Moth Morning

Fri 17 June | 10am - 11am

Come and discover the fantastic diversity of moths that live in your area.

We'll be looking through a moth trap that we ran the night before, identifying the moths and recording our findings.

Free event
