

# Pelhams Park | June Programme

## Moth Morning

Fri 10 June | 10am - 11am

Come and discover the fantastic diversity of moths that live in your area.

We'll be looking through a moth trap that we ran the night before, identifying the moths and recording our findings.

Free event

## Minibeast Mania

Fri 10 June | 3.30pm - 5pm

Join us to discover the wildlife of Pelhams Park. This month is all about insects!

Come and hunt for minibeasts in the park and learn all about these interesting invertebrates.

Free event

## Bioblitz

Mon 13 June | 3.30pm - 5pm

Be a wildlife detective and record species for science.

We will be looking out for wildlife and recording our observations using the iNaturalist app while contributing to citizen science.

Free event

## Butterfly Surveys

Thurs 9, 16, 23 & 30 June | 3.30pm - 4.30pm

Calling all keen lepidopterists!

This summer, we'll be completing weekly butterfly surveys for the UK Butterfly Monitoring Scheme to track and monitor these important pollinators. Be part of a citizen science project and learn some key identifying features of our butterfly species.

Free event

## GreenFingers

Sat 18 June | 10am - 12pm

Join our monthly volunteer group to help improve biodiversity in the park.

This month we'll be creating a hedgehog highway network in the park.
