

Branksome Recreation Ground

August Programme

Bird Trail

Wed 3 Aug | 10am - 12.30pm

Self-led trail for kids - find a fact at each stop to learn about birds you find in the park.

Free event

Pollinator Survey

Thurs 4 Aug | 9am - 10am

Help survey the pollinators like bees and butterflies and we'll record what we find.

Free event

Marvellous Mammals

Tues 9 Aug | 10am - 12pm

Learn about the marvellous mammals which use the park and get crafty to make a mammal mask.

Free event

Birds of a Feather

Wed 10 Aug |
12.30pm - 1.30pm

A walk round the park to spot and record birds, and learn how to encourage birds in your garden.

Free event

Meet a Moth

Thurs 11 Aug | 10am - 12pm

Come and meet our local moths and learn about these amazing insects.

Free event

Rebel Botany

Fri 12 Aug | 10am - 11am

Help record the plants in the park - from tiny flowers to tall trees, we'll learn about them all.

Free event

Hedgehog Hijinks

Tues 16 Aug | 12pm - 2pm

Learn all about hedgehogs and make your own clay hedgehog to take home.

Free event

Nocturnal Nature Walk

Wed 17 Aug |
8.30pm - 9.30pm

Explore the wildlife of the park at night, from bats to bugs.

Free event

GreenFingers

Sat 20 Aug | 10am - 12pm

Get involved in practical conservation and help look after your local park.

Free event

The World of Insects

Thurs 25 Aug | 12.30pm - 3pm

Around a million different species of insects have so far been identified!

Delve into the world of insects and take a closer look at our invertebrate friends.

Free event

Urban Foraging

Mon 29 Aug | 12pm - 2pm

Learn about the uses of native plants in our parks - from tea to cooking.

Free event
