

Description: An exciting opportunity to support our Visitor Centre at Kingfisher Barn, the gateway to the Stour Valley Nature Reserve. With over 90,000 visitors a year you'll be welcoming people to the Centre, letting them know about the local area and showing them round the Centre exhibition.

Can you provide a warm welcome to all visitors? Hand out information and make a good cup of tea? Full training will be given, and don't worry - you don't need to know all about the area, although some local knowledge would be beneficial.

For those of you with green fingers, there is also plenty to be done in the wildlife garden too.

Time commitments: Whether you can help with a morning a month or become one of our regular weekly volunteers, we'd love to hear from you.

What you will help with:

- Welcoming guests to the Visitor Centre and talking them through our 'A-Z of the Stour Valley' exhibition
- Supporting our small café serving hot drinks and snacks
- Helping with pond dipping for all the family in our small pond just outside the Visitor Centre
- Assisting with our weekly events such as Nature Tots
- Gardening in our stunning wildlife garden

What's in it for you?

- Meet new people and share knowledge about our beautiful nature reserve
- Stay active
- Help to enhance and protect our parks for future generations
- Become a part of a welcoming and committed team

Location: Granby Road, Bournemouth, BH9 3NZ
