

GREEN HEART PARK

PELHAMS PARK

1 Orchard Garden

Cooling trees, sharing blossom and fruit for all, pear, apple, plum, crab apple anyone?

2 Community Food Growing

A growing space for fruit, flowers, vegetables and herbs. Come and learn how to grow or bring your experience to share with others. Sessions led by Parks Foundation staff. We propose a secure tool shed, a poly tunnel for growing wild flowers and from seeds.

Helping nature thrive in our parks

Pelhams Park was selected as one of the parks for our Nature Recovery project, delivered in 2022 – 2023, and we'll continue our work here as a Green Heart Park.

Find out how to get involved and provide feedback on these ideas at:

<https://parksfoundation.org.uk/green-heart-parks/>

5 Mown picnic areas

A sunny spot to snooze, meet, picnic, read a book, just enjoy being outdoors.

4 Seating

Take a seat and have a break! Close your eyes, listen to the sounds of nature or bring some bird seed and makes friends with the local robins.

6 Playful routes

Mown routes through, up, down or across mounds to encourage exploring and running.

3 A safe welcome

A redesigned entrance for a welcoming and safe route into and out of the park, including a welcome information sign.
