

Kinson & West Howe

Activities: February Programme

Nest Helpers

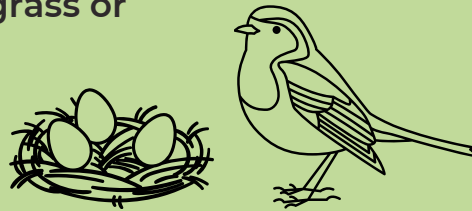

Thurs 13 Feb | 3.45pm - 4.45pm
Meet at the Henry Brown Centre

Tues 25 Feb | 3.30pm - 4.30pm
Meet at Kinson Library (Wimborne Rd, BH11 9AW)

Get creative and help the birds this year by building a nest helper to take home for your own garden or outdoor space.

This will help provide valuable materials for your local birds to build their nests during spring.

Materials will be provided, but you're welcome to bring along extra dried grass or chemical-free pet hair.

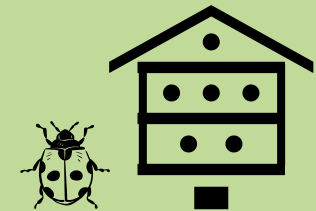

Half Term Nature Craft: Birds and Bugs

Tues 18 Feb | 10am - 12pm
Meet at the Henry Brown Centre

Come along during Half Term and enjoy a free, nature-based craft activity which is fun for all the family.

Help make and decorate a bug hotel for the park which will create habitat for important insects.

You can also build a nest helper to take home for your own garden or outdoor space to help provide birds with nesting materials this spring.
